## Sizzle & Strategy: June's Game Plan

This summer marks an exciting milestone for the Zillah Chamber of Commerce as we prepare to host our **first-ever 4th of July Community Celebration**. With live music, local vendors, and family-friendly activities, this event is designed to bring our community together and showcase the vibrant spirit of Zillah. We're proud to take the lead on what we hope will become an annual tradition.

In addition to event planning, we continue our efforts to strengthen member engagement and business support. This month's Business After Hours will be held on Tuesday, July 9 at 5:00 PM—a great opportunity to connect, collaborate, and hear updates on Chamber initiatives. As always, your involvement makes it all possible.
