Harvesting Community Spirit

This month, we're harvesting the best of Zillah's community spirit! From the successful Community Forum and upcoming Halloween Ride to new projects and partnerships taking shape, October has been full of momentum and meaningful connections. Our members continue to show that when Zillah comes together, amazing things grow.

Banquet Theme Revealed!

A Night to Shine

Honoring Bright Achievements with Sparkle and Style

Honoring bright achievements with sparkle and style, this year's celebration will highlight the excellence, dedication, and community spirit that make Zillah shine.

Community Forum Success

On October 2, the Zillah Chamber of Commerce hosted a Community Forum that drew visitors from across the Yakima Valley, featuring local candidates for Mayor, School Board, and County Coroner. The evening sparked thoughtful conversations and true civic engagement, not only from Zillah residents but from neighbors throughout the region.

Thanks to an incredible turnout in person and online, the live-streamed event became our top-performing post of all time on the Chamber's Facebook page, reaching hundreds of viewers and generating lively comments and questions throughout the discussion. We're proud to have provided a platform where community voices could be heard and ideas shared—proof that collaboration and communication are at the heart of Zillah's growth.

And remember, Election Day is November 4! Every vote counts, and every voice matters.

HalloweenLandia Update

While the highly anticipated HalloweenLandia event is on pause as Esteban transitions to new opportunities in California, we're grateful for his creativity and community vision. The Chamber looks forward to exploring new ways to bring seasonal family fun to Zillah in the future.

B.A.H.

Join us on Tuesday, October 14 at 5:00 PM at Bonair Winery. Enjoy an appetizer social hour, a brief business meeting, and a special presentation on "The Past, Present & Future of the Wine Industry Locally and Beyond." We'll also take a few minutes to hear from a local Scout about his upcoming Spaghetti Feed Fundraiser supporting his Eagle Scout project, building a sundial at Stewart Park.

Come network, connect, and be part of the conversations shaping Zillah's business community!
